Excellent Investment Potential

This is a hotel-licensed development, allowing owners to legally rent the property on Airbnb, Booking.com, Agoda, Expedia, and all major OTA (Online Travel Agency) platforms. The project has a strong track record of attracting holidaymakers thanks to its prime Kata location and premium facilities, offering excellent short-term rental potential.

Whether you're looking for a luxury holiday home, a high-performing rental investment, or both, this penthouse is a rare opportunity at a price well below comparable units in the same project.

Energy Efficiency

Energy Performance:

The Energy Rating is an index of a building's thermal performance, indicating the levels of heating and cooling required to be comfortable in winter and summer. Buildings which achieve A or B Energy Rating are more comfortable to live in and have lower energy bills.
